

benchmarks

```
graph TD; A[benchmarks] -- 10 --> B[include];
```

The diagram consists of two rectangular boxes. The top box is light blue with a black border and contains the text 'benchmarks'. A vertical black arrow points downwards from the bottom center of this box to the top center of a second box. To the right of the arrow, the number '10' is written. The second box is white with a red border and contains the text 'include'.
