

exception

```
graph BT; A["shared_memory::Unexpected_map_key< Key >"] --> B["exception"]
```

The diagram illustrates an inheritance relationship. A light gray box at the top contains the word "exception". A dark gray box at the bottom contains the C++ code "shared_memory::Unexpected_map_key< Key >". A blue arrow points from the top of the bottom box to the bottom of the top box, indicating that the bottom class inherits from the top class.

shared_memory::Unexpected
_map_key< Key >
