

include/real_time_tools
/rt_mutex.hpp

```
graph TD; A["include/real_time_tools<br>/rt_mutex.hpp"] --> B["pthread.h"]; A --> C["sys/time.h"]
```

The diagram illustrates the header file dependencies for `include/real_time_tools/rt_mutex.hpp`. It is shown as a central node with two arrows pointing downwards to its dependencies: `pthread.h` and `sys/time.h`.

pthread.h

sys/time.h
