

include/time_series
/interface.hpp

```
graph TD; A["include/time_series<br>/interface.hpp"] --> B["cstdint"]; A --> C["limits"];
```

The diagram illustrates a C++ header file's dependencies. A central box at the top, labeled 'include/time_series/interface.hpp', has two blue arrows pointing downwards to two separate boxes. The left box is labeled 'cstdint' and the right box is labeled 'limits'. This indicates that the 'interface.hpp' file includes both 'cstdint' and 'limits'.

cstdint

limits
