

include/real_time_tools
/spinner.hpp

```
graph TD; A["include/real_time_tools/spinner.hpp"] --> B["chrono"]; A --> C["unistd.h"]
```

The diagram illustrates the dependencies of the file `include/real_time_tools/spinner.hpp`. It is represented by a gray rectangular box at the top. Two blue arrows originate from the bottom edge of this box and point downwards to two separate white rectangular boxes. The left arrow points to a box containing the text `chrono`, and the right arrow points to a box containing the text `unistd.h`. This visualizes that the `spinner.hpp` file includes both the `chrono` library and the `unistd.h` header file.
